XIII. ADJOURNMENT

The MISSION of Leechburg Area School District is to maximize student learning and achievement by increasing high quality educational opportunities for all students.

The VISION of Leechburg Area School District is to provide teachers with the most applicable and relevant professional development so that they can provide our students with the most current and appropriate education that will enhance their success in their post-secondary future. We will allocate our resources to enhance our academic offerings through interactive technology and teaching, promote the growth and success of the students and District through positive public relations, and provide our students with a safe and caring learning environment.

Shared Values

Building successful partnerships with our local communities.

Locating additional funding resources through grants and partnerships.

Utilizing all available resources to provide expanded opportunities for our students.

Educational creativeness to enhance instruction through high-quality Professional Development.

Diversity celebrated in the form of exploration in education.

Environment that is safe and nurturing.

Virtual opportunities accessible to meet each student's progressive needs.

Increasing creative educational opportunities for post-secondary success.

Leadership that maximizes all human and financial capital in the District.

Students doing their personal best by setting high but attainable expectations for all.
