

SUPERINTENDENT EVALUATION AND OBJECTIVE PERFORMANCE STANDARDS AND ASSESSMENT

- A. The performance of the District Superintendent shall be assessed against the objective performance standards listed below. The Board and Superintendent hereby mutually agree to the following performance standards:

Student Growth and Achievement: Superintendent uses multiple data sources to assess student success and growth as appropriate, specific to needs within the District and as determined annually in collaboration with the Board of School Directors. Annual or other District performance objectives are articulated and clearly achieved under the direction of the Superintendent relative to PSSA, PVAAS, and other locally determined measures.

Organizational Leadership: Superintendent has worked collaboratively with the Board to develop a vision for the District, displays an ability to identify and rectify problems affecting the District, works collaboratively with District administration to ensure best practices for instruction, supervision, curriculum development, and management are being utilized, and works to influence the climate and culture of the District.

District Operations and Financial Management: Superintendent manages effectively, ensuring completion of activities associated with the annual budget; overseeing distribution of resources in support of District priorities; and directing overall operational activities within the District.

Communication and Community Relations: Superintendent communicates with and effectively engages the staff, the Board, and members of the community, clearly articulating District goals and priorities, addressing local and broader issues affecting the District, and building support for District initiatives, programs and short/long-range plans.

Human Resource Management: Superintendent incorporates best practices for human resource management and oversight, coordinating staffing, recruitment, and other human resource functions.

Professionalism: Superintendent models professional decision-making processes and ethical standards consistent with the values of Pennsylvania's public education system as well as that of the local community. Superintendent additionally works to individually reflect upon her/his effectiveness within the role, and works to improve effectiveness through the use of professional development literature and activities.

- B. The key performance indicators under each objective performance standard will undergo an annual review by the Superintendent and the Board of School Directors. Modifications may be made by the Board of School Directors to address the current nature of challenges, issues and needs facing the District. The Board shall provide the Superintendent with periodic opportunities to discuss Superintendent/Board relationships.

The Board shall evaluate the Superintendent annually in accordance with statutes, regulations and Board policy relating to the Superintendent evaluation. Each annual evaluation shall be in writing and shall represent a consensus of the Board. The written performance assessment will be conducted no later than May 31st (or another date agreed upon between the parties). The Superintendent's performance related to the objective performance standards will be posted on the District's website.

Evaluation Date: June 26, 2019 Ms. Tiffany Brzezinski-Nix, Superintendent, met standards.
