

July 8th-July 12th

The goals of this camp are to ignite interest in and build a strong foundation in video production for future years at LHS. Current sixth through eighth graders are invited to get a glimpse into the process of video production. While working through a production process, students will learn basic camera operations, editing basics, and a few special effects tips and tricks. Students will use their newly learned skills to produce a video of their own.

Dates July 8, 2019-July 12, 2019

Times: 8:00 AM-3:00 PM

Instructor: Mrs. Tanya Sherbondy

Participants: Current 6th-8th Graders
